**Report on “Engineers’ Day.”**

**Topic:** “Engineers’ Day Session.”

**Date:** 15<sup>th</sup> September, 2022

**Time:** 02:00 pm to 03:30 pm

**Venue:** Mondini Hall

**Guests:**

- Dr. Prasanna Nambiar (DBIT Principal)
- Ms. Namita Agarwal (DBIT-EXTC HOD)

**Objective:**

- Motivate and interact with young and aspiring women engineers.

**Description:**

- IEEE DBIT Student Chapter in association with IEEE DBIT WIE Chapter arranged an “*Engineers’ Day*” session on 15<sup>th</sup> Sept, 2022.
- The session was especially aimed at young women in engineering.
- The special guests invited were Dr. Prasanna Nambiar (DBIT Principal) and Prof. Namita Agarwal (DBIT-EXTC HOD).
- The session was set in motion by the host for the day, Ms. Dibyarupa Pradhan (IEEE-DBIT WIE Chairperson) by extending warm greetings to everyone present for the event. It was followed by a brief introduction of the speaker for the day- Dr. Prasanna Nambiar (DBIT Principal).
- Dr. Prasanna Nambiar (DBIT Principal) shared her life instances with the

audience. She began by speaking about her childhood, her father, TATA Hydroelectric Power Station, her engineering days and so on.

- She motivated the crowd by sharing her stories of how she was the first women in her college to run elections, her first job at BOSCH company and how she became a teacher.
- Dr. Prasanna Nambiar moved on to talk about the trend of debating whether a certain technology can be regarded as good or bad. She explained with different examples how the technology itself cannot be bad but it's implementation by humans can lead to negative results.
- Reflecting on this, Dr. Prasanna Nambiar encouraged students to develop and evaluate technology without any biases and to accept new challenges and learn through the process.
- Surely, her upbringing was ordinary but not her dreams. Her words through and through inspired everybody in the room. Dr. Prasanna Nambiar (DBIT Principal) is nothing if not a chest of wisdom.
- Ms. Namita Agarwal presented a memento to the speaker for her presence.
- The session was concluded by a vote of thanks delivered by Mr. Yashas Khot (Event Management Head) to Dr. Prasanna Nambiar and everyone for turning it into a successful event.
