Feedback Analysis:

- The number of students who attended the workshop

Branch

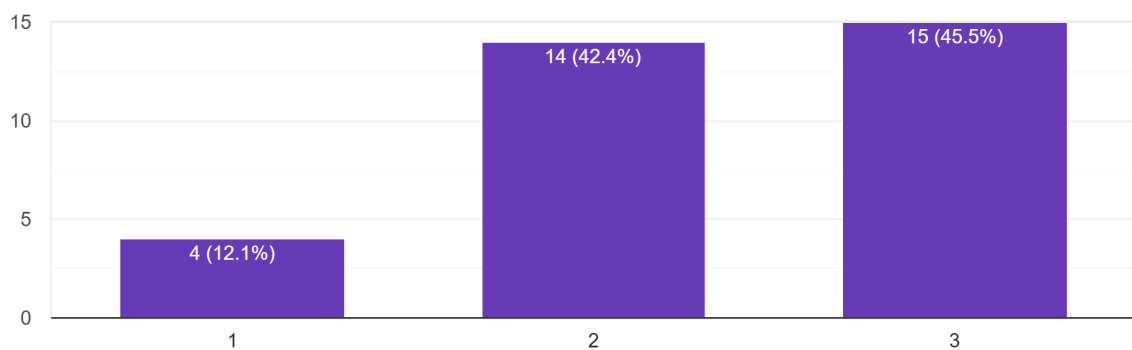

33 responses

- Student were satisfied with the Information covered with the training objective.

Information covered was consistent with the training objective

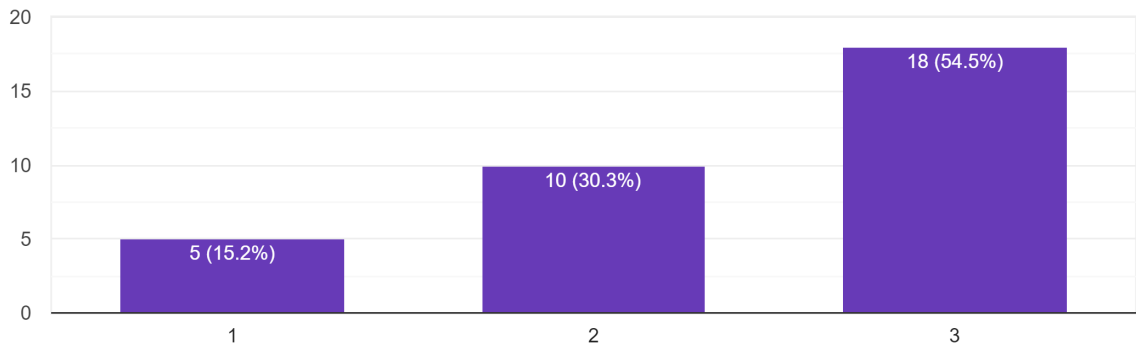

33 responses

- Information provided was relevant and Valuable

Information presented was relevant and Valuable

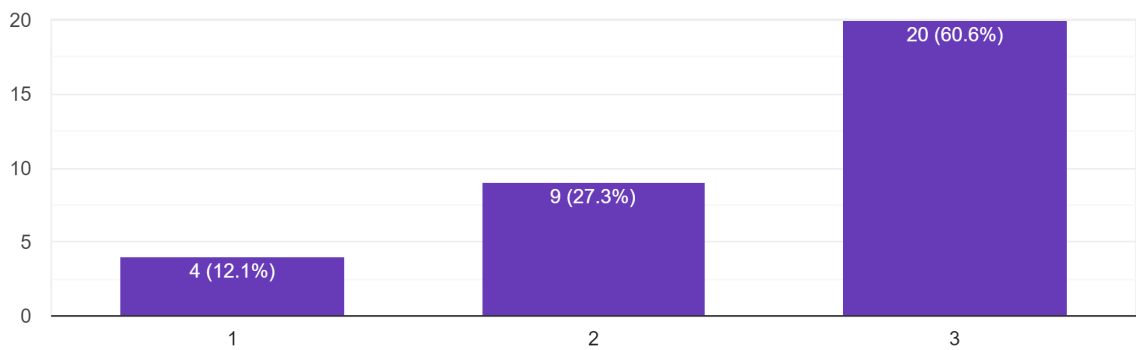

33 responses

- According to analysis trainers knowledge was prior for the subject.

Rate the trainer's knowledge on the subject

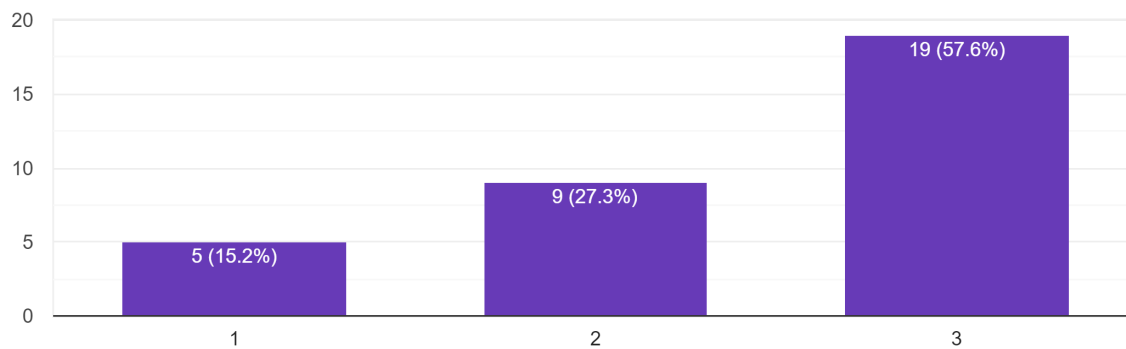

33 responses

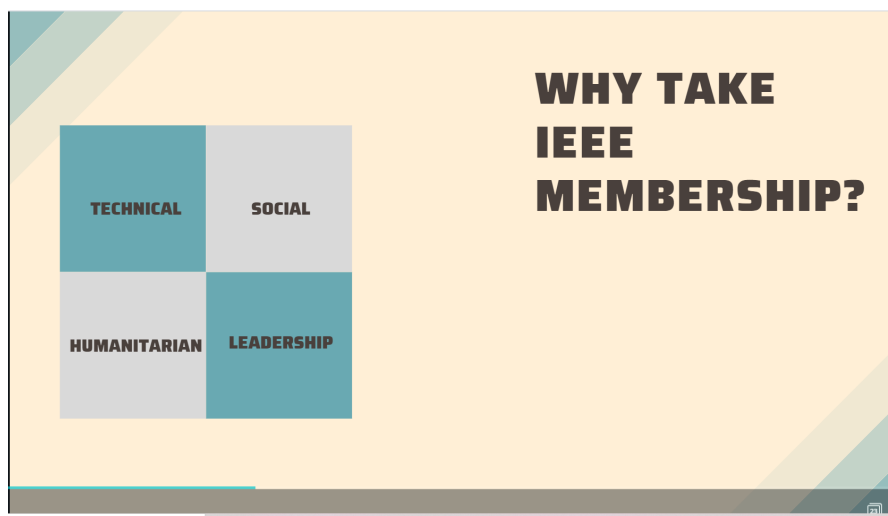

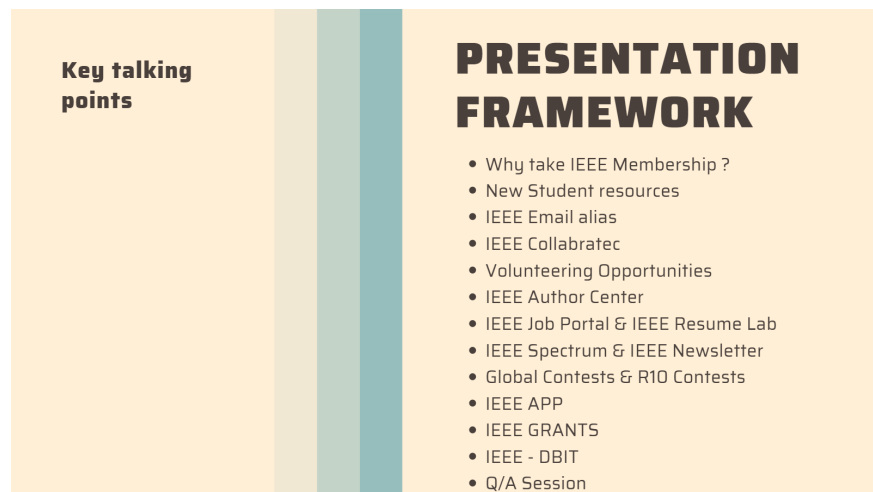

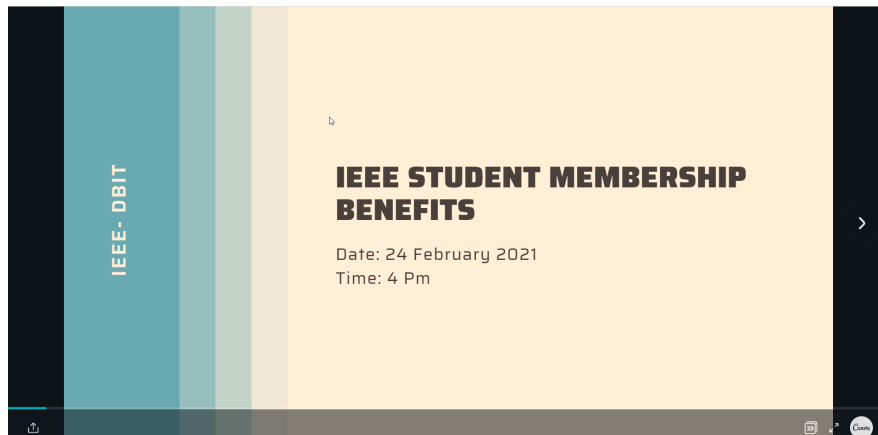

- Participants questions were clearly answered

Participants questions were clearly answered

33 responses
