### **Detailed Report:**

The event commenced with a solemn blessing and prayer by Fr. Nelson Carvalho. Attendees from the DBIT Management included Fr. Brian Moras, Assistant Director DBC, and Fr. Nelson Carvalho, Campus Minister DBCL, setting a reverent tone for the proceedings. The event, held at Seminar Hall, gathered members of the IEEE community, faculty, and students to acknowledge the contributions of the outgoing core team and welcome the new appointees.

The ceremony began with a heartfelt address by the IEEE Chairperson, Umer Shaikh, who reflected on the journey of the past core team and expressed gratitude for their dedication and hard work. He emphasized the significance of teamwork and collaboration in achieving the objectives of IEEE DBIT.

The Chairperson proceeded to highlight the achievements and milestones accomplished during the tenure of the outgoing core team. He commended their efforts in organizing various events, workshops, and seminars that enriched the academic and professional growth of IEEE members. Furthermore, he shared personal anecdotes and experiences, underscoring the challenges faced and lessons learned along the way.

Following the Chairperson's speech, the spotlight shifted to Dr. Sudhakar Mande, the Principal of DBIT, who shared his insights and perspectives on the role of IEEE in shaping the future of technology. Dr. Mande emphasized the need for continuous learning and skill development in the rapidly evolving field of engineering.

The highlight of the ceremony was the felicitation of the past core members, who were recognized for their outstanding contributions to the IEEE DBIT chapter. Each member was presented with a certificate of appreciation and a token of gratitude for their dedication and commitment.

As the ceremony reached its pinnacle, the focus shifted to the introduction of the new core team. The incoming members were welcomed with applause.

Annanya Zadbuke and Dibyarupa Pradhan, the newly appointed Chairperson and Vice-chair, expressed their gratitude for the opportunity to lead the chapter and outlined their vision for the upcoming year.

Ms. Carvalho extended her thanks to the outgoing core team for their guidance and support during the transition period. She also expressed her confidence in the capabilities of the new core team and their ability to uphold the legacy of excellence set by their predecessors.

Overall, the IEEE DBIT Past Core Felicitation and New Core Appointment Ceremony was a resounding success, highlighting the dedication and passion of the students involved in the chapter. It served as a reminder of the invaluable role that IEEE plays in nurturing future leaders and innovators in the field of technology.
